⁽¹⁾ Pay for 4 regular matches in one season and your next regular match - even if it's in the next season - is free. The Do-Over Shoot held every September is not a regular match. The free shoot can not be used as payment for The Do-Over Shoot.

If a person joins later in the season, we will credit their attendance, as long as they were present for the prior shoots. For example, if they join in June, but attended in April and May, we would credit them for those 2 shoots toward the 4 required to earn the 5th shoot as a free shoot.

⁽²⁾ If you attend the 5 shoots April thru August, you will earn 5 Dag-Nabits. You can earn additional Dag-Nabits by hitting any Bonus Targets when included in any stages during the April thru August period.

⁽³⁾ The Dag-Nabits can be used at The Do-Over Shoot to erase your misses and possibly get you a Clean Shoot Pin. The Dag-Nabits will not lower your time for The Do-Over Shoot nor improve your standing in your category. In order to qualify for the Clean Shoot Pin, using Dag-Nabits, your total number of Dag-Nabits must exceed your total misses.

⁽⁴⁾ Only members are qualified. The Sure Shot Certificate and a free shoot certificate will be awarded to the qualified shooter who has the lowest number of total misses during the April through August period. These certificates will be awarded at The Do-Over Shoot.
