⁽¹⁾ The new \$2 Hombres Club Fee is charged to every shooter for every match, including The Do-Over Shoot. As an Hombres Club member, you are exempt from paying that fee. You will save \$18 if you shoot all 8 regular matches and The Do-Over Shoot in 2018.

⁽²⁾ If you pay for 4 regular matches in one season, your next regular match will be free - even if it's in the next season. The Do-Over Shoot is not a regular match, so the free shoot can not be used as payment for The Do-Over Shoot.

If you become an Hombres Club member later in the season, we will credit your attendance, as long as you were present for the prior shoots. For example, if you become a member in June, but attended in April and May, we would credit you for those 2 shoots toward the 4 required to earn the 5th shoot as a free shoot.

⁽³⁾ If you attend 5 shoots April thru August, you will earn 5 Dag-Nabits. You can earn additional Dag-Nabits by hitting any Bonus Targets when included in any stages during the April thru August period.

⁽⁴⁾ The Dag-Nabits may be used at The Do-Over Shoot to erase your misses and possibly get you a Clean Shoot Pin. The Dag-Nabits will not lower your time for The Do-Over Shoot nor improve your standing in your category. In order to qualify for the Clean Shoot Pin, using Dag-Nabits, your total number of Dag-Nabits must exceed your total misses. On the first day of The Do-Over Shoot you will receive a card indicating how many Dag-Nabits you have earned. It is the responsibility of the shooter to inform the score keeper to use the Dag-Nabits to erase misses

⁽⁵⁾ Only Hombres Club members who attend at least 3 of the 7 shoots April thru August are qualified. The Sure Shot Certificate and a free shoot certificate will be awarded to the qualified shooter who has the lowest number of *total* misses added up from 3 of their matches with the lowest number of misses during the April through August period. These certificates will be awarded at The Do-Over Shoot.
